THE CURTIS W. LONG, MD  
AND GAY L. NISSEN, RN

# Infusion Center

Our donor wall recognizes the generosity of those who believe in providing healing and hope close to home.

The Curtis W. Long, MD and Gay L. Nissen, RN Infusion Center is a lasting tribute to two individuals who dedicated their careers to patient care at BCMH. This thoughtfully designed space was made possible through the hospital's investment in expanded infusion services—and with the support of generous donors who believe in accessible, compassionate care for our community.

## The Impact of Giving

Whether you're making a gift in memory of a loved one, leaving a legacy through estate planning, or supporting ongoing needs through a one-time donation, your contribution helps sustain this important center of care.

## Reasons to Give

- Honor someone touched by cancer or chronic illness
- Leave a lasting legacy for generations to come
- Support comfort and healing close to home
- Celebrate a caregiver or medical provider
- Help ensure compassionate care for your friends and neighbors

Your gift helps us maintain an environment where comfort, dignity, and skilled care come together. Donations support the ongoing excellence of this space, enabling us to respond to emerging needs, support our dedicated staff, and continually improve the patient experience for those who walk through our doors seeking healing and hope.

Dr. Curtis Long and Gay Nissen, RN, dedicated to decades of care. Their names and legacy live on through the infusion center that bears their name.

The Long-Nissen Infusion Center offers private and semi-private rooms, heated and massaging recliners, and safe, clean air with state-of-the-art filtration, all close to home.

Our experienced, certified nurses deliver:

- Chemotherapy and immunotherapy
- IV antibiotic therapy
- Allergy and disease-related injections
- Preventive medication management

With space to care for up to 10 patients at once, we are able to serve more people, more comfortably, than ever before.

Each donation to the Long-Nissen Infusion Center is a meaningful investment in this vital resource. Your gift honors the past, strengthens the present, and shapes the future of care in our community.
